***Location** - Games are played Mondays at Queneesh Elementary School Fields (2345 Mission Rd., Courtenay), unless field closures force a move.

***Weather** - Players/teams are expected to show up regardless of rain/wind. Games will be played unless weather is severe. It is difficult to schedule make-up games.

***Optional Hat Tourney on Aug. 1** – Everyone who shows up gets split into separate, hopefully even teams for a small hat tourney starting at 6:30 p.m. This alleviates the roster crisis usually resulting from this busy day at the end of this particular long weekend. It also allows more even scheduling: (a) all "A" Tier teams play each other once in regular season, followed by three rounds of playoffs; and (b) all "B" Tier teams would play each other twice in regular season, followed by two rounds of playoffs.
